

ELITE WINE CLUB TERMS & CONDITIONS

There is no cost to join the club. Elite Wine Club memberships are for a minimum of one year, which is equal to four shipments from the membership start date. Each shipment consists of 6 of either sweet or dry wines depending on member preference, and is hand-selected by our winemaker.

By joining the Two-EE's Winery Elite Wine Club, you agree to the following terms:

Payment Verification: All fees for wine club memberships and associated charges, such as shipping and other related charges, are automatically billed to your credit card. By becoming an Elite Wine Club Member, you authorize Two-EE's Winery to charge your credit card four times per year on the quarterly billing date for the the retail value of the shipped wine, less member discounts, plus tax, and any shipping costs (January, April, July and October). Memberships automatically renew without written notice of cancellation.

Cancellations: Cancellations of membership before 4 automatic shipments will be subject to a \$75 cancellation fee. **If membership is cancelled prior to 4 automatic shipments, the member authorizes Two-EE's Winery to charge his or her credit card for the \$75 cancellation fee as well as the amount equal to the membership discounts received up to the date of cancellation.** All cancellation requests must be submitted in writing to hello@twoees.com and be received 30 days prior to the billing of a regular club shipment. Members are responsible for all orders that are billed to their account prior to the notice of cancellation.

Wine club membership must be active and in good standing (no missing club shipments and a valid credit card on file) in order to be eligible to redeem wine club benefits. Declined credit cards are cause for automatic termination of wine club account.

Elite Wine Club Member Benefits are non-transferrable and the Wine Club Member must be present to redeem benefits.

All advertised shipment prices are estimates only and do not include applicable shipping fees and taxes. Prices, wine selection included in each shipment, and release dates (timing of shipments) are all subject to change. Your credit card will be billed prior to the release of the Club Shipment, and details for shipping or pick-up dates will be sent to the email associated with your account. Members who opt for pick-up must pick up their shipment within 7 days of the release date, or it will be shipped to the member with a \$15 additional packaging fee.

Additional wine purchased online or at the winery does not apply towards your club commitment.

All wine orders must be placed and received by a person 21 years of age, or older and verification of age is required at the time of delivery. If wine is returned or redirected as a result of the inability to provide age verification, bad address, or missed delivery attempts, all associated costs will be the responsibility of, and charged to, the customer. We cannot ship to PO Boxes and shipping regulations vary by state laws.

The complimentary flight of wine tasting per month is limited to 2 people. The complimentary flight of wine benefit can only be redeemed one time per month per membership account and still must be redeemed during regular tasting hours, 11 AM to 7 PM. Wine Club Member and guest must still show valid ID to verify they are of legal drinking age, and to confirm wine club membership. Complimentary flight credits do not "roll" over - after the month has ended, the credit will disappear from Wine Club Member profiles, and a new credit will be issued for the next month.

Discounts on non-wine merchandise exclude gift cards, tasting fees, event or experience tickets, or club memberships, and cannot be combined with other discounts or offers. Wine Club Member must show valid ID in order to confirm wine club membership when using member discounts.

Wine club benefits and terms are subject to change.
